## In Memoriam

Francis H. Brock

7-2-1900 — 7-13-1970

Mr. Brock was a very active member of this community. He was a man who had intense interest in our young people and was one of the originators of our Beach Booster Club. Throughout his life he sponsored civic affairs and served as a treasurer of the Scribner Memorial Library, Director of the Green Grove Cemetery Association, and as a member of the recently established Ashland Historical Commission.

Robert A. Johnson

4-25-1886 — 11-14-1970

Mr. Johnson was a fine citizen in the highest sense. He had a devotion and vitality for life that was hard to ignore. He was one of the first members of the Beach Booster Club and was the first director of the club's annual shows.

# Selectmen's Letter

1970

---

Dear Citizens of Ashland:

We have prepared the annual report herein for your personal knowledge of the affairs of your town. In this letter we shall try to point out the most outstanding events that occurred in 1970 to aid you in better understanding of this report by departments.

## TOWN AFFAIRS:

In January of 1970, the Littleton TV Cable Inc. of Littleton, N.H. completed the installation of our system and began servicing most homes with cable TV.

In March, the annual town meeting business section was held in the evening for the first time per vote of 1969 Town Meeting. At this meeting it was voted to accept as a gift from Dr. Geo. Whipple, the Whipple homestead on Pleasant St. (known to most of us as the Platt Family home) for the purpose of establishing a historical heritage for Ashland. (Deed received and accepted by the Board on 8/11/70). An Historical Commission appointment was initiated by the Board per March meeting; vote and names can be found in this report under "Town Officials and Boards."

In April, the Special Session Legislative Act of 1970 which eliminated the old SIT, neat stock and machinery tax and enacted the 6% Profit Tax was effective April 1, 1970. The State reimbursed the town for loss of taxes based on the 1969 assessment plus 10% increase for 1970, which amount you will find in the 1970 Budget under "Revenues."

In May, the town purchased a street line painting machine to mark parking areas and cross-walks on Main St. We have been paying approximately \$300.00 in the past years to private concerns (if and when we could hire one to outline the areas) and by this small investment of \$202.00 we will be able to do our own streets for the outlay of paint.

The town dump ordinance was enacted in this month under great stress from the State. After repeated warnings

for several years, they had reached the final warning stage and informed the Board that from any fires ensuing from the dump area, the cost would be borne by the town solely. They insisted a gate be erected and hours be abided by when a custodian was present. Due to the fact that the 1970 budget had been prepared on the basis of a retired man assuming the duties and the fund was insufficient for a full time man, the only procedure left was to augment the budget by charging for commercial vehicles and for known junk dealers. This additional sum enabled the town to have a custodian on part time duty Monday, Wednesday, Friday and Saturday. Also, because the present site was fast filling up, to protect the interest of the residents of the town, it was restricted to residents only.

In the following months, the Board labored diligently to locate an area where the town could have a landfill dump, which was felt that the people could more easily afford than the major outlay for the incinerator-type. We have found such a site and approval by the State officials is eminent at this writing and we feel there is little doubt that we will have an affirmative by town meeting day.

As noted at the last town meeting, we have proceeded with the ten year plan on re-surfacing the town roads. This year we repaired and resurfaced two streets that were completely undermined by the summer storms in August 1969 and resurfaced one street as far as the money would go. Also, we had to repair Mill Street that had not been counted on in the basic budget, thus we had an over expenditure in that item.

#### ELECTRIC DEPARTMENT:

This year the substation was completed and the change-over was made December 6, 1970. It is estimated, with the town's growth pattern, that we will be in fine shape for the next ten years. This enlargement cost \$67,140.00 and was assumed by the department's depreciation fund.

As usual, the Electric Department gave the town \$6,000.00 to help reduce the tax rate. Also, though the town pays the department \$4,000.00 for street lights, in actuality those same street lights would cost the town \$12,000.00 if this department was not our own.

Once again the Electric Department, in the true Christmas spirit, decorated Main St., for the holidays and assumed the cost of lighting.

Once in a great while a discussion on the feasibility of selling the plant comes to the foreground. In our soundest

judgement, we feel this would be the biggest error the town could ever make. You own a jewel and only four other N. H. towns can boast of the same. In the most dire of straits this department could mainstay the town from complete obliteration. Its total asset value is \$425,935.00 but its asset to the town is immeasurable.

#### SANITARY DEPARTMENT:

This is a new department this year but it is going very well. We hope to extend the mains in the future to include West Main and River Street and then others as the need exists. However, we hope to do this by using the balance of funds from the sewer project.

#### WATER DEPARTMENT:

As we were in the middle of changeover from basic charges to meter charges, the income from this department was slightly lower than in the past years. With basic charges, water service was billed 6 months in advance; with metering, it is billed on usage, therefore those that were billed in July of 1969 on regular charge only had a reading taken of their meters in January 1970 and their first billings were in July 1970.

There was no great change in the Plant condition this year but in the foreseeable future, the large main feeding from the reservoir to the town will have to be reamed out. Also, the land surrounding Jackson Pond should be acquired as precautionary measure against polluting of our water supply. This has been recommended by the State Board.

Briefly, this is our 1970 resume. Contrary to the opinions of the uninformed, as your Board of Selectmen, we are very proud to tell you that your town is in excellent shape and we have the records to prove it.

Very sincerely,

Your Board of Selectmen:

Edward N. Doggett

Howard A. Guyotte

Charles M. Flanders

# Town Meeting — March 10, 1970

---

There were 918 ballots received and counted by the ballot clerks and a total of 404 ballots cast.

The meeting was called to order by Moderator Glenn W. Bricker and the polls declared open at 9:00 A. M. The motion was made by Edward Doggett and seconded by Herbert Sirles that the meeting be recessed. The moderator explained that the Selectmen are the only ones who have the authority to establish the time of the meeting but inasmuch as the time had not been properly established and published by the Selectmen, the Moderator was asked to exercise his authority. He declared the time of the meeting to be 7:00 P. M. to comply with the unanimous consensus of the people expressed at the 1969 town meeting. The motion was placed before the meeting and So Voted without dissent.

The moderator declared that the meeting would recess until 7:00 P. M. and the polls would be open until 6:00 P. M., at which time the ballot box would be sealed until after the meeting.

At 7:00 P. M. the business meeting was reconvened and called to order by the moderator at which time the warrant was read, and acted on as follows:

## Article I

To choose all necessary Town Officers for the year ensuing. Elected by printed ballot were: Selectman for three years - Edward N. Doggett; Selectman for one year - Howard A. Guyotte; Town Treasurer - Thomas W. Heinz; Town Clerk - Marion K. Merrill; Budget Committee for three years - John Hughes, Jeanne B. Reeve, Laurent Ruell; Library Trustee - Pauline L. Packard; Town Trustee - Lawson W. Glidden; Fire Wards - Albert Blake, John C. Hughes, Raymond May, Jr. (Write-in); Tax Collector - Marie D. Young; Overseer of the Poor - Nancy B. Straw; Chief of Police - Ernest A. Paquette; Road Agent - David G. Ober. Raymond May, Jr. declined to serve.

## Article II

To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

The motion was made and seconded that Article II be taken up item by item and that Article II be passed over until the remaining articles 4-16 are voted on. So voted without dissent.

### **Article III**

To see what time the articles of this warrant shall be taken up.

This article was declared out of order.

### **Article IV**

To see if the Town will vote to authorize the Selectmen to appoint the highway agent.

This article was on the printed ballot and defeated. Yes 183. No 200.

### **Article V**

To see if the Town will vote to raise and appropriate the sum of \$470.36 for Town Road Aid. (State to contribute \$3,135.73.)

Moved, seconded and so voted without dissent.

### **Article VI**

To see if the Town will vote to exempt from taxation for the year 1970 the air navigation facility known as Riverside Flying Service owned by Norman P. Smith, Jr., provided such facility is available for public use without charge and the owner holds a certificate from the N. H. Aeronautics Commission that it is necessary for an effective airways maintained and available for take-off, landing, taxiing, open air parking of an aircraft and any navigation or communications facility and any passenger terminal buildings available for public use without charge pursuant to RSA 72:38 as inserted by 1963, 79:2.

Moved, seconded and so voted without dissent.

### **Article VII**

To see if the Town will vote to raise and appropriate \$1,065.00 for the support of the Lakes Region Mental Health Center with its principal clinic in Laconia and a branch clinic in Plymouth. (Appears in the budget.)

Permission was granted to Mrs. Marion Childs, Guidance Counselor, to explain the role of the N. H. Center for Students and Children.

Norman Weden, Assistant Moderator, presided while Dr. Bricker explained the facilities available to adults and families.

Following a question and answer period, the question was moved and seconded.

So voted without dissent.

### Article VIII

To see if the Town will vote to raise and appropriate the sum of \$612.00 in order that the Town may participate in the Pemi-Baker Home Health Agency, and to authorize the Selectmen to appoint from among the taxpayers of the Town one representative and alternate representative to serve on the Board of Directors of the Agency. (Submitted without recommendation.)

Mr. Weden presided to permit Dr. Bricker to explain that these services may be available not only to those 65 or over but also to those under 65 to help fill the void created by the lack of a district nurse. Moved and seconded.

Voice vote in doubt, polled by standing.

Results Yes 85, No 10.

### Article IX

To see if the Town will vote to accept the property known as the "Old Town Hall" from the School District in the event that the School District votes to return said property to the Town at its Annual Meeting March 11th.

The motion was made and seconded and discussion followed. It was voted to move the question and it was defeated as follows: No 95, Yes 47.

### Article X

To see if the Town will Vote A. to accept as a gift from Dr. George H. Whipple the building and land of the Whipple homestead on Pleasant Street to be used and maintained as an historical building for the preservation and perpetuation of historical articles and for activities related thereto; AND B. To empower the Board of Selectmen to appoint for periods of three years an Historical Commission consisting of three members of the Ashland Historical Society, one member at large and one Selectman, ex-officio, this committee to supervise and govern the operation of said property.

The motion was made by Dr. Richard Chisholm and seconded by Ruth Morrison to adopt the article as read. An

amendment was presented and original motion and second was withdrawn in favor of the amended article as follows: To see if the Town will vote A. to accept as a gift from Dr. George A. Whipple the building and land of the Whipple homestead on Pleasant Street to be used and maintained as an historical building for the preservation and perpetuation of historical articles and for activities related thereto: AND B. To empower the Board of Selectmen to appoint for periods of three years an Historical Commission consisting of three members of the Ashland Historical Society, one member at large and one Selectman, ex officio, this committee to supervise and govern the operation of said property, and said three members of the Historical Society shall, at the pleasure of the selectmen, serve their first terms as 1 year, 2 year, and 3 year commissioners respectively, and that thereafter the selectmen shall annually appoint a commissioner to serve for a 3 year term to replace the commissioner whose term has expired; further, that the member-at-large or his successor be appointed to serve for a period of one year annually.

The amended article was moved, seconded and so voted without dissent.

### Article XI

To see if the Town will vote to authorize the Selectmen to turn over the remaining inventory, acquired by the Centennial Committee, to the Historical Commission for its purposes and use.

Moved, seconded and so voted without dissent.

### Article XII

To see if the Town will vote to accept as a gift from the Ashland Chamber of Commerce Beautification Committee two parcels of land, the Marine property located at the corner of Main and River Streets and the Sirles parcel bordering Squam River, for the purpose of establishing a Memorial Park.

Moved, seconded and so voted.

### Article XIII

To see if the Town will vote to raise and appropriate the sum of \$1,302.01 (such sum being the total amount of profit realized through the activities of the Centennial Committee and turned into the general fund in 1969) for the purpose of establishing a Memorial Park. (Petitioned by ten or more legal voters.) (Recommended by the Budget Committee.)

The motion was made to table Article 13 to permit a motion to amend the article to be placed before the meeting. Seconded and so voted.

The motion was made to amend Article 13 to read as follows: To see if the town will vote to raise and appropriate the sum of \$1,302.01 (such sum being the total amount of profit realized through the activities of the Centennial Committee and turned into the general fund in 1969) for the purpose of establishing a Memorial Park, said funds not to be raised by taxation but to be raised by allocation of funds already paid into the general fund of the town by the Ashland Centennial Committee and now considered surplus; Further that said funds be in Memory of the late Mary E. Hughes, Chairman of the Ashland Centennial Committee.

The amendment was accepted as read.

The article was removed from the table and the amended article presented for motion.

The motion as amended was moved, seconded and so voted.

#### **Article XIV**

Are you in favor of adoption of the Zoning Ordinance as proposed by the Planning Board? (This article will appear on the printed ballot.) Defeated.

Results Yes 136, No 255.

#### **Article XV**

To see if the Town will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$100,000.00 and to issue in the name of and on the credit of the Town, negotiable notes therefor, said notes to be repaid during the current municipal year, from taxes collected during the current municipal year.

Moved, seconded and unanimously voted as read.

#### **Article XVI**

To see if the Town will authorize the Selectmen to sell tax acquired property.

Moved, seconded and so voted.

Following Article 16, each item of the budget as recommended by the Budget Committee was adopted with two exceptions. The item for the Ashland Memorial Park was adjusted to \$1,302.01 as voted in Article 13 and \$612.00 was added as voted in Article 8.

It was moved, seconded and unanimously voted to raise and appropriate the adjusted total of \$438,580.52.

The question was raised regarding absentee ballots for town elections. At the present time we are unable to permit this practice. However, Mr. Buckman advised that if he was so instructed by the town, he could petition the Legislature for permission. A show of hands indicated a majority in favor.

The basis for taxation was questioned and discussed at length with many expressions that they felt the present system of taxing on the purchase price to be inequitable. The Selectmen explained that the method of taxation is determined by the New Hampshire Tax Commission regulations.

Meeting adjourned.

Respectively submitted,  
Marion K. Merrill

# Town Warrant — 1970

## The State of New Hampshire

---

To the Inhabitants of the Town of Ashland, in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Ashland School Auditorium in said Ashland on Tuesday, the ninth day of March, next at nine of the clock in the forenoon, to act upon Article 1 hereof, and you are further notified to meet at the same place on the same day at 7:00 P. # Notice to The Voters of Ashland

## Verification of Check List Every Ten Years, Beginning In 1971

Ch. 69:26a As inserted by 1969, 263-1

The New Hampshire Legislature in 1969 passed a law requiring every legal voter of a city, town or ward to reregister his name with the supervisors of the check list every ten years, beginning with the year 1971.

This law states that between April 1 and August 1 the supervisors shall advertise notice of their sessions at least twice in a local newspaper and shall hold sufficient sessions for verification of the check list as to enable all eligible voters to appear before them during such period and register or reregister as the case may be.

May 3rd is the last day for the supervisors to notify by certified mail to last known address all persons who failed to reregister.

Beginning June 1st the supervisors shall review the check list and strike therefrom the names of all persons who have not registered or reregistered, however if a majority of the supervisors have personal knowledge of the voting qualifications of any person who has failed to reregister by July 30 his name may be retained on the revised check list.

We, the supervisors of the check list of the Town of Ashland urge every legal voter in the town to reregister as early as possible. Notice of our hearings will be published in the Ashland Citizen and sufficient hearings will be held so that every voter may be reregistered.

At the November elections of 1970 there were 844 names on the check list. Since May 3, 1971 is the last day for the supervisors to notify by certified mail all voters who have failed to reregister it will involve a considerable amount of money since a certified letter return receipt requested costs **51 cents**.

The Town Office Manager, Mrs. Beverly LaBrique, has requested that the supervisors post this notice in the Ashland Town Report so that all legal voters may be advised concerning this new law.

Respectfully,

Hiram F. Gingras  
Joan V. Doggett  
Louise A. Brock

### TRUSTEES' REPORT — 1970

With exception of one or two items the past year has, for the Library been mostly routine. We have appreciated having full time use of what was formerly the office of the District Nurse. It makes a most attractive reading room and has its share of usage. Our librarian, Miss Platt, has recently given to the Library a large framed picture, copy of "Don Baltaasr on Horseback" by the painter Velazquez, which hangs in this room and looks quite "at home."

We regret that for several weeks our Senior Trustee, Mrs. L. W. Packard who served for many years as Chairman most efficiently, has been for some time and still is at the Lakes Region Convalescent Center in Laconia. Her interest in and for the Library, however, has never waned and we look forward to her early return home when we can again have the benefit of her wise counsel.

Miss Platt has been hospitalized for a period, and while now at home has not yet been able to return to work. Our Assistant Librarian, Mrs. Ida Brown, carries on most efficiently and we feel fortunate to have her services as well as her dedicated interest. Of her own volition she sees to it that anybody at the Nursing Home who wishes reading matter has it, and we feel this is a very worth while service.

We take this opportunity to publicly thank Mr. J. R. Buckley for his two gifts of ten dollars each; Gaylen Potter and her brother Bryan for so willingly and efficiently cleaning our aquarium: Miss Platt for the picture above mentioned and last but by no means least the Scribner Trustees for their dedicated interest in the Library and co-operation with us.

This year the rate of people going on the donated foods has gone way up. So many people have been laid off with a lot more on short time.

The government has added many more items to their lists of foods this year which is to help to balance their diets.

People think that the donated foods are to last them a whole month which isn't so. They are given to them just to help them supplement their food bill. We have no control as to what we will receive or how much we receive per month. So bear with us as we do the best we can.

Thank you very much.

# Ashland Police Department

---

The year 1970 was a very busy one for our department. We have answered many complaints of all kinds, large and small. These calls come at all hours of the day and night.

Many of the people feel that a lot of these complaints should go to court. The reason that they do not is because too many of our citizens do not care to go into court themselves to testify. The police officer cannot be expected to see all that is going on. One must understand what can and cannot be done regrading the many problems that arise.

Your department, at the present, is one full time man with six or eight specials. These specials work part time with little education in law enforcement. They do a fine job, but most of the time are criticized for their work.

As your chief, I have been putting in long hours on the street and in the office trying to keep the department up to date. Many of our problems could be taken care of if we had another full time man. As our schools grow and our flow of traffic increases, we also need to grow in our police department.

Again it has been a pleasure serving the Town of Ashland as chief and hope to do better this coming year.

Respectfully submitted,

Ernest A. Paquette  
Chief of Police

## Auxiliary Police Department

---

Another year has come to a close and the auxiliary have done a fine job. As their chief, I am making the report this year as their secretary has resigned.

Over the years, these men have taken it on their own to put in many hours of free time to help out your regular police department. They have built up a fine outfit that the people of Ashland should be proud of.

Each year the auxiliary has bought something for my department that I can use and which does not have to be taken out of the taxpayers expense. This year they gave the department two portable lights and a second radio for my use. They also had a small fair in town and money was given to the park fund. A banquet was also held with our wives as invited guests to show our appreciation for their understanding in our job which keeps us away from home a lot of the time.

To the auxiliary I say, a fine job men and I hope to always have your good support.

Respectfully submitted,

Ernest A. Paquette  
Chief of Police

# Report of The Planning Board

## Ashland, New Hampshire

The Ashland Planning Board made attempts during 1970 to carry out one of the most important tasks and recommendations of the Ashland Comprehensive Town Planning Report and Study which was made available to the town after more than two years of study by a consultant firm.

The recommendation that the town adopt a local Zoning Ordinance was presented and rejected by ballot at two separate town meetings. The second Zoning proposal received 220 yes votes and 294 votes against it.

It is sincerely believed by the Planning Board that the town needs certain types of growth to broaden the existing tax base. The Board feels that the proposed Zoning Ordinance would be a tool to broaden the tax base through better land use of the community assuring a planned, more desirable growth. Growth is usually welcomed in a community, however, an unreasonable growth or a growth of low producing taxation means unavoidable higher taxes. It is believed that without zoning, Ashland's growth may well be stunted and costly to the taxpayer because we will not have the type of building development and growth desirable to the community. Part of the answer to increased taxes is growth control or growth that will pay its fair share of municipal services.

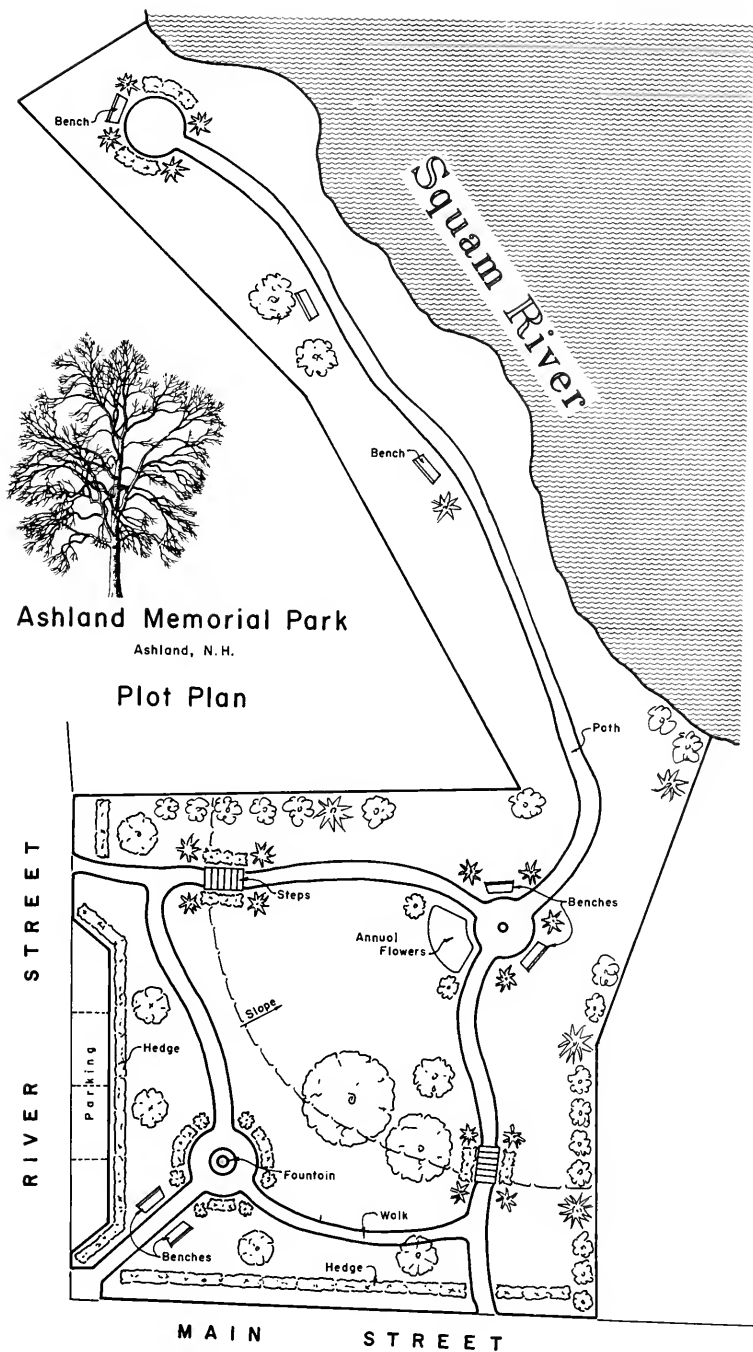

Certain types of commercial and industrial development are essential to a well balanced economy and to broaden the tax base. Ashland citizens have done little to enhance the possibility of attracting growth in these areas. The Planning Board recommends that a voluntary Industrial Development Commission be organized through an active Chamber of Commerce which would work with the local Planning Board, Chamber of Commerce, and Selectmen to promote industry in town and to promote growth through good, sound commercial development by meeting with potential developers and learning of their needs and requirements.

The Planning Board urges that all residents attend future public hearings. If the Zoning Ordinance continues to fail in the future because of a lack of understanding and support, and if citizens are not interested in voluntarily giving of themselves to aid the ills of the community, we

may have not town left worth planning in future years. The longer we take to a positive action, the less there will be left of reasonable taxes, open spaces, uncrowded schools, unspoiled countryside, unpolluted waters, and worthwhile areas for proper commercial, residential, and industrial growth. The community's future is in the hands of an aggressive Planning Board, Chamber of Commerce, Selectmen and a concerned citizenry. There is no room for apathy if the town is to survive as an attractive and desirable community in which to live.

Respectfully submitted,

James H. Rollins, Chairman

## Ashland Memorial Park

The Ashland Memorial Park began as a dream in the hearts and minds of a few public spirited citizens who were concerned about the image projected by our town and for the future development of our community.

The Marine property on the corner of River and Main Streets was for sale and had been for several years. The buildings were in disrepair and rapidly deteriorating. Several real estate agents had tried to sell the property for a business site without success and, there appeared to be little prospect of selling it for a business location for some time to come, due to the fact that new businesses were choosing to build near the exit of Int. 93. What a wonderful place for a park, if only the land went all the way to the river, and what an asset to the town if the property were developed and cared for - but - our little community was already burdened with tax problems and couldn't stand any additional expense. If this was to become a reality, the project must be financed some other way.

The group persistently investigated every angle and possibility and found that Herb Sirles would sell the river frontage between his block and the Havlock property; that matching funds were available for both the purchase and landscaping of the property and that the project would qualify for it; that the Meredith Banks would loan the money to purchase the property and that the services of the University of N. H. were available without charge to help with the landscaping plan.

With so many encouraging facts and with interest growing, several business men obtained a loan, purchased the two parcels of land for a total of \$9,200.00 and gave it to the town for a Memorial Park and the gift was accepted at the town meeting in 1970.

The initial response to the project was heartening, contributions began to come in and many organizations sponsored fund raising events. The Centennial Committee turned in to the town a surplus of \$1,302.01 with the recommendation that it be placed in the Park Fund in memory of Mary Hughes who ably served as chairman of both the Centennial Committee and Memorial Park Committee until her death. The town voted to comply with this request.

Matching Funds were applied for and \$4,600.00 was granted to the town for this project. Through the efforts of James Rollins, a contribution of \$500.00 was obtained from New Hampshire Tomorrow for printing a brochure, letter-heads, envelopes and postage. The brochure is ready and will be mailed out in the near future.

Assistance from many has helped to get this project underway and our sincere thanks go to all, particularly to Ralph Dale of Moultonboro, N. H. for several loads of fill to put in the old garage cellar hole, to Lawson Glidden who kept the lot mowed throughout the summer and Milton Huckins from Holderness who rototilled the lot in the fall, all without charge. With such interest and cooperation, our "dream" will soon become a reality.

In addition to the Federal Grant of \$4,600.00 made to the town, the treasurer, Mrs. Louise Brock, has received \$3,821.78 from all sources making a total amount of \$8,421.78 - an excellent start toward our goal of \$15,000.00.

The plans for this park are in keeping with the recommendations of the Comprehensive Planning Report for Ashland made by the engineers of Atwood and Blackwell, after more than two years of study into the needs, assets and possibilities of our town, and when it is completed it will reflect the civic pride of hundreds of people and be a fitting Memorial for their loved ones for generations to come.

wish to express their appreciation to  
**DR. GEORGE HOYT WHIPPLE**  
of Rochester, New York, formerly of Ashland,  
for the generous gift of his family homestead  
to the Town of Ashland  
to be used as an historical museum.

**The Whipple House**

## Report of the Ashland Historical Commission

At the 1969 town meeting, the citizens of Ashland voted to accept the gift of Dr. George H. Whipple of the building and land of the Whipple homestead on Pleasant Street to be used and maintained as an historical building for the preservation and perpetuation of historical articles and for activities related thereto. The Selectmen, who were empowered to appoint a five-member Historical Commission to supervise and govern the operation of the property selected Louise Brock for the one-year term from the Ashland Historical Society, Richard Chisholm for the two-year term from the Historical Society, Robert Proulx for the three-year term from the Historical Society, Kenneth Forbes for the one-year term as the at-large member, and Howard Guyotte for the one-year term as Selectman, ex-officio.

At the first meeting of the Historical Commission held October 28, 1970, Robert Proulx was elected commission chairman, and Richard Chisholm was elected commission secretary. The commission members felt that the most urgent task was to shingle the Whipple House, and under the leadership of Kenneth Forbes, a crew of ten volunteers worked three days to complete the job. The Historical Society paid for the roofing materials at a cost of \$280.00.

It was decided to rent one-half of the Whipple House in order to put the entire operation on a self-sustaining basis so that no tax funds would be required. The Commission felt that by renting a portion of the house, it would be heated during the winter months, and the monthly income could be used for restoration and maintenance purposes. Mr. and Mrs. Will Richard and their young son, Judson, are presently occupying five rooms of the twelve-room house.

Plans are now being formulated for restoring several rooms, setting up exhibits, and opening the museum to the public early this summer. Nearly all of the restoration work will be done by volunteers and all of the expenses will be borne either by the rental income or by financial support from the Ashland Historical Society through its membership drive and other fund-raising activities.

The members of the Historical Commission believe the Whipple House Museum will be a source of pride and enjoyment for all of the citizens of our community as well as our many friends who visit this area each year.

Respectfully submitted,

# Ashland Beach-Booster Association Report

---

The year 1970 was, as usual, a busy and productive one. Many repairs and improvements were carried out throughout the year.

In January, four Char-Wood stoves were purchased by the Association for the convenience of those who enjoy outdoor cooking. Two of these were placed in the picnic area at the beach and two were installed under the pines at the ball park. These will provide many years of pleasure for out-door enthusiasts.

The Playground program this year was under the direction of Mr. Richard La Plante. Games, arts and crafts, and the regular swimming lessons were included in this year's program.

The Campground opened Memorial Day and closed October 15th, realizing a profit of \$1,500.00, reports Mr. Roland Morrill, Campground Director.

Lifeguard duties were carried out by Mr. Harold (Acer) Proulx with Mr. James Hall acting as assistant lifeguard and swimming instructor. Our thanks to them for keeping our summer safe and accident free.

We are again able to offer a Ski Instruction program which has been set up by Mrs. Robert Proulx. Lessons are held at Glidden's Ski Tow with Mrs. Proulx as Instructor. Forty-five children and one adult enrolled on opening day.

The Beach-Booster Association would like to remind you that meetings are held on the third Monday of each month and that all persons interested in making our recreational facilities the best are invited to attend.

# Report of the Forest Fire Warden And District Chief

---

During this past year, the public has shown a great deal of cooperation in the prevention of fires. We wish to express our thanks for a job well done.

Your forest fire warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires, a synopsis of these laws follows.

## FIRE PERMITS

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning (SUCH BURNING IS RESTRICTED BY REGULATION TO BE PRIOR TO 9:00 A. M. and AFTER 5:00 P. M.).

An Air Pollution regulation forbids the burning of household waste in towns where such rubbish is collected by the town.

## EXCEPTIONS

Commercial or industrial burning is allowed under normal conditions with permission of the District Fire Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

## Remember! Only You And I Can Prevent Forest Fires

# Annual School District Meeting Minutes

March 11, 1970

---

In accordance with the School District Warrant, legally signed by the Ashland School Board and posted February 19, 1970, by Patricia W. Heinz, Chairman, the meeting was called to order by the Moderator, Dr. Glenn W. Bricker, at 9:30 a. m., at the Ashland School Auditorium-Gymnasium. The meeting was recessed until 9:40 a. m.; at which time, upon motion, duly seconded and adopted, it was decided that the polls remain open for voting on Article 1 from 10.00 a. m. until 8:00 p. m. The meeting was again recessed. The polls were opened at 10:00 a. m.

Patricia W. Heinz and Eugene Langdoc were sworn in as Ballot Clerks at 9:35 a. m. Ruth Morrison was sworn in as Ballot Clerk at 10:10 a. m., Jean Ober at 12:30 p. m., and J. Carleton Beard at 6:00 p. m.

The polls were declared closed at 8:00 p. m. by the Moderator and the meeting was reconvened. Rev. Lamson gave the Invocation, after which the Moderator stressed the importance and opportunity of involvement of everyone present. He pointed out the errors and/or oversights in the School Warrant and Budget, as far as signatures were concerned. He also informed the body of the availability of a copy of the minutes of the Special School Meeting in April, 1969 at this meeting. It was announced that the corrections and the minutes of the Special meeting would be in a supplement of the 1969 Annual Report.

The Moderator read the warrant at 8:15 p. m. and announced that the ballots would be counted and reported at the close of the meeting.

ARTICLE 2. A motion was duly made, seconded and adopted to accept the reports of the Agents and Auditors as printed in the Annual School Report.

ARTICLE 3. To see what sum of money the District will vote to raise and appropriate for the support of schools for the salaries of school district officials and for the payment of the statutory obligations of the District, and to authorize an application against said appropriation of such

sums as are estimated to be received from the state together with other income; the School Board to certify to the selectmen the balance between the revenue and the appropriation, which balance is to be raised by taxes by the Town.

Upon motion made, duly seconded, it was voted that the Budget be discussed item by item. A motion was made, seconded and so voted that the budget be discussed line by line rather than by block, and the results were as follows:

1. Salaries, Administration	\$ 1,170.00
2. Contracted Services	1,130.00
3. Other Expenses	680.00
4. Salaries, Instruction	(*) 195,810.00
5. Textbooks	2,140.35
6. Library & Audiovisual Materials	1,613.00
7. Teaching Supplies	6,500.00
8. Contracted Services	865.00
9. Other Expenses	(*) 2,500.00
10. Attendance Service	100.00
11. Health Services	(*) 3,950.00
12. through	
24. accepted as a block	
25. Principal of Debt	25,000.00
26. Interest on Debt	25,661.00
27. Tuition	536.00
28. Supervisory Union Expenses	4,751.45

ITEM No. 4. A motion made, seconded, and with discussion, that we raise \$199,190.00. Floor was polled, with George Ober and Norman Weden as Tally Counters, with 33 ayes and 44 no. The motion was defeated. While the votes were being counted, the Moderator stated that he would not challenge a non-registered person's right to speak, that only a voter from the floor could do so; after which, he would make a ruling. Moderator ruled Item No. 4 was open. A motion was made and seconded that the District raise \$195,810.00 for Salaries, Instruction, with no discussion. The voice vote was in the affirmative, and the motion was adopted.

ITEM No. 9. A motion was made, seconded, that \$3,203.00 be raised for Other Expenses, Instruction. Discussion followed with the voters again being polled. This motion was defeated with 29 ayes and 41 no. A motion was made and seconded that \$2,500.00 be raised by the District for Other Expenses, Instruction, and was adopted.

ITEM No. 11. A motion was made and seconded that \$7,200.00 be raised for Health Services. Many voters gave

their opinions, with discussion resulting. The previous question was moved, seconded, and carried in the affirmative. A motion was made and seconded that the vote be by closed ballot, but before a ruling was made, a motion to reconsider the question was made and seconded. Before the moderator could call for a vote, the maker of the original motion stood and requested the privilege of withdrawing his motion for the question. With the consent of the seconder, the motion was withdrawn. Addition discussion followed. The previous question was again moved, seconded, and carried in the affirmative. The Moderator ordered the vote be by secret ballot and appointed Ruth Morrison, Helen P. Knowlton and Eugene Langdoc as Ballot Officials. He declared the meeting at recess to permit balloting. The meeting was reconvened at 9:30 p. m. and continued on with the rest of the budget while the ballots were being counted.

On motion duly made, seconded and carried, it was agreed to vote on Items Pupil Transportation through and including Student Body Activites using the Budget Committee figures. A motion duly made and seconded to accept these recommended figures by the Budget Committee for Items Pupil Transportation through and including Student-Body Activities was carried with one dissent.

The vote on Outgoing Transfer Accounts was in the affirmative. The report of the closed ballot on the question of appropriating \$7,200.00 for Health Services was 53 ayes and 57 no. The motion was defeated. A motion was made, seconded, to raise the sum of \$3,950.00, with the Moderator declaring the voice vote carried in the affirmative.

The Moderator entertained a motion to raise the total of \$341,028.06 for Article 3. A member of the School Board voiced the opinion that the body had accepted the budget line by line, and it would constitute a double appropriation if it was voted on again. The Moderator disagreed, but the body overruled him and he passed on to the next article.

ARTICLE. 4. A motion was duly made, seconded and carried in the affirmative that the District authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

ARTICLE 5. A motion was made and seconded to have the School District transfer and convey to the Town of Ashland, the so-called vocational building and land on which it is located upon such terms and conditions as said meeting

may determine including specifically the right reserved to the School District to use the land for automobile parking in connection with any and all school purposes and to authorize the School Board to carry out the vote. A discussion followed with the vote in the affirmative, but with dissent.

ARTICLE 6. It was moved and seconded that the District elect its School District officers at the Annual Town Meeting effective in 1971 in accordance with RSA 197:1-a. The Assistant Moderator took the chair so that Dr. Bricker could participate in the discussion. The Moderator returned to the chair. By a voice vote the motion was carried in the affirmative with one dissent.

ARTICLE 7. To transact any other business that may legally come before the meeting.

A resolution was read by Robert Proulx, seconded, and discussed. The resolution moved, seconded and carried in the affirmative, stated:

“Whereas, New Hampshire ranks last in the nation in state aid to local schools; and

Whereas, the number of school children and the cost of education continues to increase each year; and

Whereas, the increasing cost of education is borne almost entirely by local property taxes which are fast becoming confiscatory.

Now therefore, be it resolved that the voters of the Ashland School District call upon the Governor and the Legislature to substantially increase state aid to local school districts; and that the clerk is hereby instructed to forward copies of this resolution to the Governor, the President of the Senate, the Speaker of the House of Representatives, our State Senator and our State Representative.”

The Chairman of the School Building Committee, Dr. Bilheimer asked permission from the chair to report on the new building. This was granted. A motion was duly made, seconded and carried that the report be conveyed to the clerk and be included in the 1970 School District Report.

A petition to remove sex education from the school program was read. The Moderator ruled the motion as written could not be accepted and would have had to have been in the School Warrant. The Moderator recessed the meeting for five minutes, so that a new motion which would be in order could be prepared. The meeting reconvened. A decision not to write a new motion at this time was reported.

It was brought to the attention of the meeting that, in effect, Article 3 had not been adopted and the Chair ruled that the sum had been agreed upon but not how it was to be raised. A motion was moved and seconded that \$341,028.06 be raised and appropriated for the support of schools, for the salaries of school district officials and for the payment of the statutory obligations of the District, and to authorize an application against said appropriation of such sums as are estimated to be received from the state together with other income; the School Board to certify to the Selectmen the balance between the revenue and the appropriation, which balance is to be raised by taxes by the town. There was additional discussion. The previous question was moved, seconded and carried in the affirmative.

A motion to adjourn was made, seconded, and carried in the affirmative. The Moderator declared the meeting adjourned at 10:30 p. m.

ARTICLE 1. Results of balloting for candidates. Total ballots counted and approved for this meeting - 876. Total ballots cast 156.

State of New Hampshire

**School District Warrant**

Grafton, SS

School District of Ashland

**To the Inhabitants of the Ashland School District in the Town of Ashland, in the County of Grafton, in said State, qualified to vote in District affairs:**

You are hereby notified to meet at the Ashland School Auditorium-Gymnasium in said District on the 6th day of March, 1971 at 8:00 P. M. to act upon the Articles set forth in this Warrant:

- Article 1. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.
- Article 2. To see if the District will vote to establish a three member School Board effective in 1972.  
To see how the District will vote to bring about this change. (Petitioned by the Ashland's Property Taxpayers and Tenants Association and ten or more legal voters.)
- Article 3. To see if the District will vote to deed to Mrs. Olive Cilley a piece of land adjoining her property 10 feet wide on School Street and extending to zero feet wide at the back corner marker. Said strip of land is between the roadway to the School grounds and the Cilley property. ## SUMMARY OF FINDINGS AND RECOMMENDATIONS

September 15, 1970

The School Board  
Ashland School District  
Ashland, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Ashland School District for the fiscal year ended June 30, 1970, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

### SCOPE OF AUDIT

Included in the examination and audit were accounts and records of the School Board, School District Treasurer, School Lunch Account and the Student Activities Account.

### FINANCIAL STATEMENTS

#### Revenue Accounts

**Comparative Balance Sheets - General Fund: (Exhibit A-1)**

Comparative Balance Sheets - General Fund - as of June 30, 1969 and June 30, 1970 are presented in Exhibit A-1. As indicated therein, the Net Debt of the District increased by \$633.20, from \$28,229.04, to \$28,862.24, during the fiscal year ended June 30, 1970.

**Analysis of Change in Financial Condition - General Fund: (Exhibit A-2)**

An analysis of the change in financial condition - general fund - of the School District during the fiscal year is made in Exhibit A-2, with the factors which caused the change indicated therein.

These were as follows:

#### **Increases in Net Debt:**

Surplus Used to Reduce School Tax	\$3,770.96
Net Budget Deficit	1,862.24
	<hr/>
	\$5,633.20

## **Decrease in Net Debt:**

Bonds Paid During Year	5,000.00
------------------------	----------

Net Increase in Debt	\$ 633.20
----------------------	-----------

## **Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues - General Fund:**

(Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues - general fund - for the fiscal year ended June 30, 1970 are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net overdraft of appropriations of \$2,019.77, less a revenue surplus of \$157.53, resulted in a net budget deficit of \$1,862.24.

## **NON-REVENUE ACCOUNT**

### **Comparative Balance Sheets - Building Fund: (Exhibit A-5)**

Comparative Balance Sheets - Building Fund - as of June 30, 1969 and June 30, 1970 are presented in Exhibit A-5.

## **TREASURER'S ACCOUNT**

### **Classified Statement of Receipts and Expenditures - General Fund: (Exhibit B-1)**

A classified statement of receipts and expenditures for the fiscal year ended June 30, 1970, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance - general fund - as of June 30, 1970, is indicated in Exhibit B-2.

Exhibit B-3 discloses the activity in the Building Fund account during the year and the reconciled balance at June 30, 1970.

### **Statement of School Lunch Account: (Exhibit C)**

A statement of the Ashland School Lunch account is presented in Exhibit C.

### **Statement of Student Activities Account: (Exhibit D)**

A summary statement of the Student Activities account is included in Exhibit D.

### **Statement of School Tax Account: (Exhibit E)**

A statement of the School Tax Account with the Town of Ashland is presented in Exhibit E. As indicated therein, as of June 30, 1970, the School District had received from the Town of Ashland, the total of the 1969-70 School Tax in the amount of \$219,131.36.

**Statement of Bonded Debt: (Exhibit F)**

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1970, showing annual debt service requirements, is contained in Exhibit F.

**GENERAL COMMENTS**

**Current Deficit:**

The current financial condition of the School District changed from a current surplus of \$3,770.96 at June 30, 1969 to a current deficit of \$1,862.24 at June 30, 1970, as shown herewith:

	June 30, 1969	June 30, 1970
Current Assets	\$9,656.13	\$ 778.32
Current Liabilities	5,885.17	2,640.56
	<hr/>	<hr/>
Current Surplus (Deficit)	\$3,770.96	(\$1,862.24)

**Bonds or Notes Authorized - Unissued:**

As stated in Exhibit A-5, authorized but unissued bonds at June 30, 1970, amounted to \$350,000.00. These bonds were sold on June 16, 1970 and delivery of the duly executed bonds was made on July 20, 1970.

Bond anticipation notes of \$225,000.00 issued under the provisions of R.S.A. 33:7-a and outstanding at June 30, 1970, will be paid from the proceeds derived from the sale of the aforesaid bond issue.

**Overdraft of Appropriations and Application of Municipal Budget Law: \* See Note at end**

As indicated by the Budget Summary contained in Exhibit A-4, the District incurred a net overdraft of appropriations of \$2,019.77 during the fiscal year examined, as a result of expenditures made in excess of budgetary appropriations approved by the voters.

In accordance with the provisions of the Municipal Budget Law (R.S.A. 32:10) which has been adopted by the Town of Ashland, whenever an emergency necessitates making an expenditures in excess of budgetary appropriations, the School Board, with the approval of the Town budget committee, is required to apply to the State Board of Education for a certificate authorizing such emergency spending.

We were advised that this requirement was not complied with.

**Conclusion :**

The provisions of Chapter 184 of the Laws of 1955, require that the auditors' summary of findings and recommendations (letter of transmittal) included in this report shall be published in the next annual report of the School District. Publication of the exhibits contained in the report is optional at the discretion of the School Board.

We extend our thanks to the officials of the Ashland School District for their assistance during the course of the audit.

Yours very truly,

Frederick E. Laplante, Director  
Division of Municipal Accounting  
State Tax Commission

### **Certificate of Audit**

This is to certify that we have examined and audited the accounts and records of the Ashland School District for the fiscal year ended June 30, 1970.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the School District as of June 30, 1970, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Frederick E. Laplante, Director  
Division of Municipal Accounting  
State Tax Commission

# Report of the Superintendent of Schools

---

To the School Board and Citizens of Ashland:

I hereby submit my sixteenth annual report as Superintendent of the Ashland School District.

The Ashland School District is a part of the Inter-Lakes Supervisory Union in accordance with the statutes relating to the organization of Supervisory Unions. Inter-Lakes School District is the other district in the organization and the name of the district is determined by the larger district.

The operating budget and apportionment of expenses is printed at the end of this report.

## Staff

The following is a list of changes in the staff:

### Elementary—

Miss Sara Adams, a graduate of Plymouth State College, replaced Mr. Richard Plant who accepted a position as Teacher Principal in Cornish N. H.

Mrs. Elizabeth Currier, a graduate of Cardinal Cushing College and who has done graduate work at Keene State College and has taught for the past seven years in the Fall Mountain Regional School District, replaced Mrs. Mildred Uhlman who retired.

Mrs. Mary Ann Langdoc, a graduate of Boston University and who has been teaching in the Franklin School District for the past 4 years replaced Mrs. Diane Whiston as Music Teacher on the elementary level and Mrs. Langdoc also assumed some of the assignments of Mr. Langdoc at the Jr. High level.

### High School—

Mrs. Darlene E. Brill, a graduate of Plymouth State College and who has been a teacher in Antrim, N. H., Bradford, Vermont, Quabbin Regional at Barre, Mass., and a member of the Becker Junior College staff for the past

2 years, is teaching the Business Education classes as Mrs. Nettie C. Kipp was granted a leave of absence.

Mrs. Kathleen C. Donoghue, a graduate of the University of N. H. and a former teacher at Lebanon and Ashland High replaced Mr. William Bourbeau as Teacher of English grades 9 and 10. This past year Mrs. Donoghue has been doing graduate study at the University of New Hampshire.

Mrs. Hilda Harris, a graduate of New York State College, and who has a Masters Degree from Cornell University, replaced Mrs. Jane Elliott as Teacher of English grades 11 and 12. Mrs. Harris has been a teacher in New York state and the past nine years she has been at the High School in Rochester, New York.

Mr. Stuart K. Clinton, a graduate of Ohio Wesleyan University and who is doing graduate study at Plymouth State College is teaching the Mathematics classes in grades 7 - 8 and 9 replacing Mr. William Contini.

Mr. Robert A. Hickey, a graduate of Plymouth State College and who served a tour of duty in the U. S. Marine Corps replaced Mrs. Vina Hughes as Social Studies teacher in Grades 7, 8 and 9.

Mr. Edward Sides, a graduate of Plymouth State College and who served a tour of duty in the U. S. Navy, is replacing Mr. Warren Parker as Coach and Physical Education Teacher.

Mrs. Marjorie V. Clark, a former Library Assistant in the Lynnfield School System, is the Library Aide in the new Library-Resource Center.

## Costs

The property tax assessment for 1970-71 was \$288,355.46 an increase of \$69,224.10 over the 1969-70 assessment of which \$44,285.00 was for Principal and Interest payments for the new construction.

The district has received \$42,955.81 from Foundation Aid, \$7,546.02 Building Aid, and \$2,201.32 Sweepstakes and these monies have been used to reduce the tax assessment for the 1970-71 school year.

The anticipated revenue for the ensuing year is \$42,955.81 Foundation Aid, \$7,546.02 Building Aid, which is

30% of yearly payment on the Principal of the debt and \$2,000.00 from Sweepstakes.

The cost per pupil as computed by the State Department of Education for the 1969-70 school year excluding Transportation and Capital Outlay was as follows: Grades one to six \$476.57, grades seven and eight \$807.12 and grades nine to twelve \$933.99. The State Average Costs were as follows: Grades 1 - 6 \$536.00, Grades 7 - 8 \$653.00 and Grades 9 - 12 \$753.00.

### **Building and Expansion Program**

The construction of the six classrooms, and Library-Resource Center to the Allen K. Ober Elementary School and the Vocational Building with new Shop, Home Economics and a Cafeteria progressed very satisfactorily and was occupied at the opening of school. The buildings were dedicated on November 15, 1970 and the Vocational Building was dedicated to Lawson Glidden Sr. in appreciation for the donation of seventeen acres of land adjoining the school property.

The new addition is being used for Grades 4 - 6 and Art classes, with the former Elementary School being used as a Junior High for Grades 7 - 8.

### **Conclusion:**

A good school is judged by how well it does the job of meeting the needs of the individual pupils.

With the new Vocational facilities and the larger room for Business Education a greater emphasis is being placed on Vocational Education and is in line with National and State objectives with the building of Post-Secondary Vocational Technical Institutes and Colleges and designation of area Vocational Schools.

I feel we have a very devoted staff and with the additional space and facilities we are better able to meet the needs of the pupils with the separate Jr. High area, having all the Elementary pupils in one building, and the new Instructional Media Center for all grades.

The District is very fortunate in continuing to have devoted citizens as School Board Members that carry on their difficult and time consuming roles as public servants

in an unselfish manner. Their interest and dedication to the job is commendable.

At this time, I wish to express my appreciation to the Selectmen and members of the various departments for their interest and cooperation in the many auxiliary details of operating a school.

I also wish to commend the Custodial staff, Lunch Program personnel, and Bus Drivers for their continued cooperation and devotion to their duties.

MARTIN E. HEFFERNAN  
Superintendent of Schools

## Supervisory Union #2

### BUDGET

The Supervisory Union Budget for the 1971-72 school year is prorated among the two districts on the basis of the 1969-70 average daily membership and the 1963 equalized valuation as follows:

District	Percentage	Supt's Salary	Office Exp.	Total
			Sec. Salary & Travel	
ASHLAND	19.6	\$ 3,136.00	\$ 2,123.66	\$ 5,259.66
INTER-LAKES	80.4	12,864.00	8,711.34	21,575.34
	<u>100.0%</u>	<u>\$16,000.00</u>	<u>\$10,835.00</u>	<u>\$26,835.00</u>

The Superintendent's salary for 1970-71 is \$16,500.00. The Supervisory Union's Share is \$14,000.00 and the balance of \$2,500.00 is paid by the State Department of Education.

# Principal's Annual Report

---

The new Annex to the Alan K. Ober school and the new Vocational Building, although of vital interest to pupils and faculty, were not the only focus of our attention. Curriculum improvements were made in the High School and the middle grades were partially departmentalized, accompanied by a report card revision. Our efforts have been in the area of improvement of instruction which would not necessitate increased expenditures.

## ELEMENTARY SCHOOL

This year our elementary pupils were all housed in the Allen K. Ober school and annex. As last year, four teachers instructed the first three grades, there being a split first and second grade. With the increased class rooms available because of the new annex for the middle grades; four, five, and six; we were able to make a modest attempt toward departmentalization. In replacing the two teachers who did not return this year, we were able to select teachers whose interests and abilities complemented those of our returning staff. The ability groupings were developed through extensive conferences between teachers, guidance and administration. Although problems developed, the change has resulted in improved instruction, and improved learning.

The art program has certainly benefited by being accommodated in a room basically used for art instruction. The music program has use of the cafetorium for larger chorus groups, thus making possible the beginning of an elementary chorus. Use is also made of the cafetorium for elementary physical education. This enables fuller use of the time of the instructor, affording more pupil participation.

The Media Center has been developed into an attractive, pleasant place in which to be. Many hours of volunteer help by interested mothers and pupils themselves, have resulted in reading corners for the elementary pupils and reference and reading area for junior-senior high pupils. Our library, and audio-visual resources are meager but with the establishment of the Media Center the most can be made of what resources we have.

The full time guidance service inaugurated two years ago is now well established. Individual and group guidance

sessions are paying dividends. A special education program has been established through the support of state funds and area assistance is continuing in support of our guidance program.

## HIGH SCHOOL

The Ashland High School is operating on a seven period schedule as it did last year. Early in the school year, after a parent-pupil-faculty and school board discussion, it was decided to allow pupils of junior-senior high school grades to leave the school grounds during the half hour lunch period. The Senior free period policy was continued for those who accrue grades of C or above.

The physical education programs have been expanded with pupils being scheduled to participate twice a week. This has been made possible by the utilization of the cafetorium for some elementary classes. The study hall formerly conducted on the stage, has been moved to the old cafeteria so that neither study pupils nor the physical education pupils are disturbed by the other.

The move of the middle grades to the annex made possible the location of the junior high pupils in the Old Elementary building. This building has been rewired and the beginning of a junior high laboratory has been started.

The art and music programs continue much as last year with interest growing in both areas. The conscientious and energetic instructors truly seem to make the most of their time even though they are on part time status.

Several curriculum changes were made but perhaps the most notable were the addition of a science course entitled "Man and His Environment," and the senior social studies course on "Contemporary Problems." Other changes consisted in the reordering of Biology and Physics, and of Algebra II and Geometry.

Again the annex has relieved the pressure on the high school for space and has made possible the development of a guidance area suitable for the performance of the guidance functions; individual conferences, group sessions and parent conferences. The guidance program has continued on the admirable track that it was set upon last year. Not only have

in-school pupils been helped in job and school selection but graduates have benefited as well.

The Ashland school program has been an on-going, forward looking program. We are fortunate in the caliber of experienced teachers we have been able to retain and that of the new teachers we have been able to attract. The true heart of a faculty is the ability of the school district to retain capable personnel. In recent years our heaviest turn-over has been in the Junior high area. It is hoped that with your support this trend can be slowed.

I have truly enjoyed my association with the interested parents, citizens, the School Board, the Superintendent, and a dedicated, capable Faculty.

PAUL R. BADGER

Principal

## Report of Building Committee

On May 7, 1969, the Moderator, Glenn W. Bricker, appointed the following individuals to the Building Committee; Maryann Langdoc, Donald Marsh, Daniel Preece, Mary Bilheimer, Ann Winn, Gail Sirles, Kenneth Forbes, Thomas Heinz, Kenneth Cilley, Marjorie Glidden, Jeanne Reeve and Ruth Morrison.

The organizational meeting was held on May 8, 1969 at which time Mary Bilheimer was elected chairman and Jeanne Reeve was elected Secretary. The committee voted to recommend to the School Board that Mr. Arthur Fahr be retained as architect for the project.

Throughout the summer the committee met with Mr. Fahr to go over the details of the blueprints and discuss changes that seemed desirable or necessary. On September 10, 1969 the Building Committee met with the School Board to review Mr. Fahr's final plans. On the recommendation of the Building Committee the School Board adopted the plans and bids were authorized.

Bids were received from four contractors, and these bids were opened on October 9, 1969. The bids ranged from a low of \$340,650.00 to a high of \$400,000.00. Hanson Brothers of Manchester, New Hampshire was the low bidder. Options and adjustments were discussed with Mr. Hanson which resulted in a reduction of \$23,427.00 from the original bid, making the final contract \$317,323.00. The adjustments were discussed and accepted by the Building Committee on October 28, 1969. The School Board signed the contracts on October 29, 1969, and ground was broken November 4, 1969.

At the present time all the foundation work has been completed and the steel girders are in place. The cement block work on the vocational building is nearly finished and interior work including plumbing and electrical work has been started.

Mary G. Bilheimer

Building Committee, Chairman
